

RYA SAILING & POWERBOAT COURSES 2009

Fellowship Afloat's RYA courses in dinghy sailing and powerboating will help you develop the competences required for sailing, boat handling and rescue techniques in a coastal environment.

Fellowship Afloat's centre is based at Tollesbury, Essex.

Our sail training fleet comprises Wayfarers, Picos, Laser Stratos, Laser I, Laser IIs, and a Dart 16.

For powerboating, we have a variety of high speed RIBs and displacement craft. Guests are served by the centre staff and expert volunteers who form the lively Christian community which is Fellowship Afloat. See over for courses, dates and prices.
