

Help us provide a life-changing experience

Become one of our regular donors

For over 50 years Fellowship Afloat has been blessed by the generosity of our friends who support the work we do each year with thousands of guests...

Nine years ago, we started a campaign to inspire people to donate just £5 per month. After all, these days £5 does not go far on its own. However, our experience is that lots of little gifts add up to something very significant which has helped us create life-changing experiences.

Fellowship Afloat changes lives. Thousands of people have been transformed through our unique blend of community and adventure – will you help support us to do more of this important work? If you would like to start a regular gift, or maybe even review your giving, do get in touch. We'd love you to join us...

Thank you from all of the team at Fellowship Afloat
